

Montrose
Therapy & Respite Services

Referring to Montrose

Our Therapy Services

Living a satisfying, happy life means something different to everyone. Our experienced and friendly teams customise a plan to suit the specific needs of each customer.

Therapy is available in one of our service centres, local clinics, in the home or community-based location.

Service Centres are available on the Sunshine Coast, Gold Coast, Brisbane North and Brisbane South, Toowoomba, Ipswich and Townsville. Clinics are also offered in additional locations.

When to refer to Montrose

- Advocacy and consultation with other service providers such as schools, support agencies and hospitals
- Accessing community resources such as government benefits, housing, respite

Refer to

PHYSIOTHERAPY

Physiotherapy helps improve your balance, coordination and strength through tailored therapy, exercises and informed advice. Our therapists will work with you to help you meet your movement, mobility needs and gross motor goals.

OCCUPATIONAL THERAPY

Our team of occupational therapists help you to build the skills and confidence to take part in everyday activities. They can help you break down challenging activities into manageable tasks and gradually build on your strengths.

SPEECH PATHOLOGY

The Speech Pathology team specialises in assisting children and adults who have difficulty with speech, reading, language, communicating and swallowing.

PSYCHOLOGY

Psychologists work with people and their families to promote psychological wellbeing and positive and effective behaviour.

SOCIAL WORK

Our Social Workers are there to support individuals and their families. Sometimes people just need some helpful advice and a little extra support during times of change.

FUNDING OPTIONS

Many of our services are provided at no direct cost through our funding arrangements with the Department of Communities, Child Safety and Disability Services and the Department of Education and Training Non-School Organisations program. Access to those services is based on eligibility criteria but there are many other funding options available including:

- National Disability Insurance Scheme (NDIS) – when available in your area
- Better Start initiative
- Medicare (Chronic Disease Management)
- Helping Children with Autism (HCWA)
- Individual Support Packages
- Private health insurance with gap-only payments via HiCAPS
- Medicare (Allied Health Services for people of Aboriginal & Torres Strait Islander descent)
- Self-funded

ADDITIONAL SERVICES

RESPIRE, INDEPENDENT LIVING AND DAILY LIVING SUPPORT

Need help with daily living and personal care? Looking to become independent? Perhaps just looking to enjoy a few days away and take a break? We offer a wide variety of personal care in your home, community access, respite and independent supported accommodation for people at various stages of life.

LIFESTYLE AND COMMUNITY ACCESS

You can learn new skills to increase your independence, and participate in fun activities with people your own age. We're here to enable teenagers and adults be active, involved and enjoy their community.

ACCESSIBLE HOLIDAY ACCOMMODATION

People with a disability or mobility issues know the challenge of finding somewhere genuinely accessible with all the facilities and equipment in place to provide a care-free holiday. We provide unique fully-accessible and equipped accommodation on the Sunshine Coast and Gold Coast.
